Project Meeting Notes Year IV

Week Starting:	01/10/2019 TO
Student Name:	Greg Cahill

Description of work completed since previous meeting

Notes : Also record project backlog, use notes page as required

Got delay based to a working state, and rollback has just simply been a nightmare. I had to scrap my original plan using by rewind time functions from ARGO (saving positions on a stack), and could not get the reset part of rollback right.

Tasks to be completed this week

Notes: record any additional tasks on notes page as required.

1	Commit the final push
