Student Name:	Greg Cahill

Description of work completed since previous meeting

Notes : Also record project backlog, use notes page as required

Similar to the server, I realized in the time span I had, I would not be able to implement a peer to peer system , and not neglect the actual point of my project, which is what happened around Christmas as I stretched myself far to thin.

Tasks to be completed this week

Notes: record any additional tasks on notes page as required.

1	Research and develop a way to use the two methods in an offline manner.
